Source: Copia/Artisan Partners/BofA. * Inception of the Fund for performance calculation purposes is 20 June 2017. Performance shown represents that of the underlying fund, Artisan Credit Opportunities Offshore Fund Ltd Class A (net of 1% management fee and 15% incentive allocation) for the period since inception through 30 November 2022 and Artisan Credit Opportunities Fund (net of 1% management fee and 15.375% performance fee) for periods thereafter. Returns reflect reinvestment of dividends, interest, and other proceeds from transactions along with the deduction of financing costs and operational and transaction expenses. All performance information is subject to revision and may vary from the official fund books and records. Deduction of early redemption fees (if applicable) are not reflected; if assessed, redemption fees would reduce performance. The Artisan Credit Opportunities Fund returns will vary from that of the underlying fund due to the fee and expense variations and employment of hedging to AUD from USD. Past performance is not a reliable indicator of future performance.

Disclaimers

Copia Holding Company Pty Ltd and its affiliate, Copia Investment Partners Limited, as applicable (for purposes of this disclosure, each, as applicable, "CHC") may be deemed to be providing a compensated endorsement of Artisan Credit Opportunities Offshore Fund Ltd (the "Artisan Credit Opportunities Offshore Fund") under Rule 206(4)-1 of the U.S. Investment Advisers Act of 1940 in connection with its solicitation of investors in a "feeder" vehicle established by CHC, Artisan Credit Opportunities Fund (the "Artisan Credit Opportunities Fund"), that will principally invest in the Artisan Credit Opportunities Offshore Fund. CHC is not a current advisory client of Artisan Partners Limited Partnership ("APLP"). However, CHC has invested in investment vehicles advised by APLP (including the Artisan Credit Opportunities Offshore Fund) (each, an "APLP Client," and collectively, the "APLP Clients"). Further, certain personnel of CHC have invested in CHC feeder funds, including the Artisan Credit Opportunities Fund, that have an indirect interest in APLP Clients, including the Artisan Credit Opportunities Offshore Fund. Pursuant to an agreement between APLP and CHC, CHC is providing certain solicitation services with respect to prospective investors in the Artisan Credit Opportunities Fund. For these services and for costs related to the establishment and operation of the Artisan Credit Opportunities Fund, CHC receives a portion of a fee sharing arrangement between CHC and APLP (the "Fee"). CHC's ability to receive the Fee is contingent upon the Artisan Credit Opportunities Fund's admission to the Artisan Credit Opportunities Offshore Fund, and the amount of the Fee varies based on the amount of assets in and performance of the Artisan Credit Opportunities Fund. For more information on the Fee and other fees and expenses of the Artisan Credit Opportunities Fund, see the Artisan Credit Opportunities Fund's Information Memorandum. In addition, APLP will also pay for reasonably documented out of pocket expenses incurred to assist CHC in performing its services under the Agreement, such as costs for obtaining ratings for the Artisan Credit Opportunities Fund. Further, if CHC solicits an investor directly in the Artisan Credit Opportunities Offshore Fund, CHC will receive a fee, which includes a portion of the management fee and performance allocation charged by APLP or its affiliates for the services it provides to the Artisan Credit Opportunities Offshore Fund. Various potential and actual conflicts of interest exist and/or arise from CHC's business activities and relationships with APLP, APLP Clients, and investors whom they solicit. Due to the Fee that is to be allocated to CHC in respect of investments made in the Artisan Credit Opportunities Fund, CHC has a significant economic incentive to solicit investors to commit capital to the Artisan Credit Opportunities Fund. CHC has provided or in the future is expected to provide other services to APLP, their respective affiliates, APLP Clients, and investors whom it solicits, such as the establishment, operation and distribution of feeder funds that invest in APLP Clients. In addition, APLP is permitted to offer CHC the opportunity to invest in APLP Clients (including the Artisan Credit Opportunities Offshore Fund), including on a reduced- and/or no-fee and -performance allocation basis (or other more favorable terms or access to exclusive share classes that other investors in APLP Clients may not receive). CHC is permitted to dispose of any such securities at any time (subject to any applicable transfer restrictions). None of CHC or its affiliates, officers, employees, shareholders or agents are officers, employees, members, partners or agents of APLP or its affiliates or the Artisan Credit Opportunities Offshore Fund and may not be viewed as such. CHC is not an affiliate of APLP for the purposes of the Investment Advisers Act of 1940, as amended. Additional information is available from CHC upon request.
